

To join us for We Robot 2021, visit [WeRobot2021.Events.Whoova.com/sign_up](https://werobot2021.Events.Whoova.com/sign_up) and create a free account. Join the event at whoova.com/portal/webapp/werob_202109/ and sign in with your Whoova account.

Agenda & Schedule

- Find the Agenda tab on the side of the screen. You should see a list of sessions for that day.
- You can move through different days by selecting the date you want to view on the calendar at the top of the agenda.
- Browse or search for sessions on the top bar.
- Once you find the session you want to access, tap on it.
- If the session is live, it will begin playing immediately upon entering. Otherwise, a message will indicate the scheduled start time.

A screenshot of the 'We Robot 2021' agenda page on the Whoova platform. The page has a dark header with the Whoova logo and navigation links. Below the header, the event title 'We Robot 2021' and dates 'Sep 23 - 25, 2021' are displayed. A left sidebar contains navigation options: Home, Agenda (selected), Sessions, Speakers, Posters, Attendees, Community (5), Messages (8), Photos, Leaderboard, and Resources. The main content area features a search bar and a 'Filter by tracks' dropdown. Below this is a calendar navigation showing 'Thu Sep 23', 'Fri Sep 24', and 'Sat Sep 25'. The agenda for Thursday, Sep 23, is shown, starting at 8:00 AM. The first session is 'FOR TEST PURPOSES ONLY' (8:00 AM - 9:00 AM) by Ryan Erickson. The second session is a 'Workshop' 'Here Be Robots' (11:00 AM - 11:00 AM) by Bill Smart and Cindy Grimm. Each session card includes 'View Session' and 'Add to My Agenda' buttons.

Joining A Session

When entering a session, you can choose to stay within the Whova web app or launch with Zoom. We suggest you use Whova so that you can ask questions, participate in side-channel discussions, and receive any updates from staff. The Zoom option, which is available if you have any technical difficulties with Whova, is strictly one-way, so you can enjoy the presentations, as we will not be enabling the chat features.

Whova suggests using Google Chrome.

The session broadcast is live.
How would you like to join the session?

zoom

Join in Zoom

We will take you to the native Zoom App to join this meeting.

Whova

Join in Whova

You will join the meeting directly on the Whova web app.

Q&A, Polls, Chat & Community

When participating in a Whova session through the web app, you can access Q&A, Polls, Chat & Community in the right panel. You can submit questions for the presenter through Session Q&A, answer polls, participate in ongoing discussions with the other attendees viewing the session through Chat, and browse the Community Board function through Community.

The screenshot displays the Whova web app interface for a session titled "We Robot 2021" on September 23, 2021. The main content area shows an alert: "Alert: This stream may be empty or showing other sessions." with a "Proceed anyway" button. The right-hand panel is active, showing the "Q&A" section with a question: "Can you see this?" by Ryan N Erickson, dated 8/16/2021, 2:01 PM. The question has 1 vote and 0 replies. Below the question are buttons for "View as Moderator" and "Ask a question". The bottom of the page includes a footer with "FOR TEST PURPOSES ONLY", session details (Thu, Sep 23, 2021, 8:00 AM - 9:00 AM, 1 Attending, 1 Questions), and buttons for "Add to My Agenda" and "Like session".

Speakers

On the Agenda Tab in the left margin you will find the "Speakers" page.

The screenshot shows the Whova interface for the event 'We Robot 2021' (Sep 23 - 25, 2021). The left sidebar contains navigation options: Home, Agenda (selected), Sessions, Speakers, Posters, Attendees, Community (4), Messages (10), Photos, Leaderboard, and Resources. The main content area features a search bar and a list of speakers under the letter 'A'. The first speaker is Veronica Ahumada-Newhart, a Postdoctoral Fellow at UCI Institute for Clinical Translational Science, with 'Send Message' and 'View Profile' buttons. Under the letter 'B', there are three speaker cards: Sharon Banh (Product/UX Intern at PredicAP, Inc.), Jeremy de Beer (represented by a green circle with a white 'J'), and Kelly Bergstrand (Associate Professor at University of Texas Arlington), each with 'Send Message' and 'View Profile' buttons.

Posters

Just below the Agenda Tab in the left margin you will find the "Posters" Section. Here you view pre-recorded poster presentations or the live sessions taking place 6:15PM-7:15PM EDT on the evening of Sept. 24th. You can scroll through the list and find a topic that interests you along with the names of the presenters.

The screenshot shows the Whova interface for the event 'We Robot 2021' (Sep 23 - 25, 2021). The left sidebar is the same as in the previous screenshot, but the 'Posters' option is selected. The main content area includes a filter dropdown set to 'All Poster', a search bar, and two summary boxes: 'Total Posters: 0' and 'Total Participants: 0'. Below these are two poster listings. The first poster is titled 'Artificial Intelligence: The Challenges For Criminal Law In Facing The Passage From Technological Au...' by Beatrice Panattoni, with a 'Live presentation starts on 09/24/2021' indicator and an 'Enter' button. The second poster is titled 'Egalitarian Machine Learning' by Clinton Castro, David..., also with a 'Live presentation starts on 09/24/2021' indicator and an 'Enter' button.

Posters (Cont'd)

Once you click "Enter" you'll view the livestream, or a start time will be listed if you're early. You can also chat along as you would in the main sessions.

The screenshot shows the Whova interface for the event 'We Robot 2021' (Sep 23 - 25, 2021). The main content area displays a poster for 'Artificial Intelligence: The Challenges For Criminal Law In Facing The Passage From Technological Automation To Artificial Autonomy'. The poster includes a 'STREAMING' icon, a 'RSVP' button, and a '4 Visited' count. The left sidebar shows navigation options like Home, Agenda, Sessions, Speakers, Posters, Attendees, Community, Messages, Photos, Leaderboard, and Resources. The right sidebar shows a Chat window with the message 'No Messages yet - send them first!' and a 'Send' button.

Community

Under the community tab you can network with your fellow We Robot 2021 attendees.

- Click the Community tab on the side menu to the left of the screen
- Create a new conversation topic or use existing topics like "Meet-ups."
- Click Follow directly next to the topics on the Community Board that you want to stay up to date with. To find the topics you're following, choose between three tabs near the top of the topics list section: All Topics, Followed, and New Topics.

The screenshot shows the Whova interface for the event 'We Robot 2021' (Sep 23 - 25, 2021). The main content area displays a list of topics under the 'All Topics' tab, including 'Article Sharing', 'Lost & Found', 'Job Openings', and 'Break the Ice!'. The right sidebar shows 'Article Sharing' with recommended articles like '15 Tips on Networking During a Virtual Event' and 'Behind the scenes'. The left sidebar shows navigation options like Home, Agenda, Sessions, Speakers, Posters, Attendees, Community, Messages, Photos, Leaderboard, and Resources.

Meet-Ups

When you first click community, pinned at the top is a topic called "Meet-ups & Virtual Meets". Here you will find links to informal chat sessions for realtime video networking.

The screenshot shows the Whova event interface for "We Robot 2021" (Sep 23 - 25, 2021). The user is logged in as Clarke Kwangwari. The left sidebar contains navigation options: Home, Agenda, Attendees, Community (with a red notification badge), and Messages (with a red notification badge). The main content area is titled "Meet-ups" and features a search bar, a "Add a topic or social group" button, and tabs for "All Topics", "Followed", and "New Topics". Below the tabs, there is a "Mark all as read" link and a pinned topic titled "Meet-ups & Virtual Meets" with a yellow icon. The topic description reads: "Suggest a dinner together, a morning run, or anythi... 1 activity • 7:50 PM". To the right of the topic list, there is a "Past (0)" dropdown and a "Suggest a Meet" button. The main content area displays a message: "There are no meet-ups at this time. Suggest a virtual coffee break, a meet-up or anything else to get to know each other. Invite fellow attendees and have a great time!"
